

Sequoia District Adult School

Spring 2017 Orientation Calendar

High School Counselors are required to complete and submit an Application for their student by the due date stated for each Orientation session available. Orientations are held twice per month in the afternoons.

The Adult School cannot accept district students for Orientation without an application and referral from the Home School. Students from the Sequoia Union High School District are given priority over students from outside the district or non-direct referral students.

All Orientation sessions begin on Tuesdays and last 3 consecutive days; Tuesday, Wednesday, Thursday. Orientations are generally held in the afternoons from **1pm – 4pm**. Morning and evening Orientations are held as needed. Each day your student should plan to be here at our school for approximately 3 hours. During the 3 day SAS Orientation, students will complete registration forms and sign school policies, receive information regarding the Adult School Programs (GED/HiSET/HSD), take Reading and Math placement tests, attend a Career 101 Workshop, and take practice HiSET exams. Students will also have the opportunity to meet with the SAS Counselor during the session days regarding credits needed, transitions and opportunities after their completion at the Adult School.

Orientation Dates (All orientations take place at 3247 Middlefield Road, Menlo Park, 94025)

Days	Date	Orientation Type	Application Due Date
