

EOPS APPLICATION CHECKLIST

7 Steps to Becoming a Cañada College EOPS Student

EOPS is a state-funded program designed to help non-traditional and low-income students attain a higher education by providing a variety of support services for academic success. To be considered for EOPS, please complete steps 1-4 listed below. Students should submit an EOPS application ONLY after completing steps 1-4. *Applications will not be reviewed if steps 1-4 are not completed.*

Educational eligibility includes but is not limited to students who meet one of the following criteria:

- Not qualified for the minimal level of Math/English based on placement test scores
- No high school diploma or GED
- High school GPA below 2.50
- Enrolled in high school/college remedial/basic skills/ESL courses
- First generation college student
- Parents never attended college
- Member of an underrepresented group

EOPS eligibility is determined if a student meets ALL of the following criteria:

- BOGW A or B eligible
- Educationally disadvantaged (**MEET AT LEAST ONE Educational Eligibility criteria listed above**)
- California resident
- Full-time student (12.0 units or more)
- Have earned less than 70 Associate degree applicable units
